尤雁子高歌地球，我的家園

【本報記者藍功中舊金山報導】在舊金山世界環保日開幕典禮上獨唱「地球，我的家園」的，是來自中國的尤雁子，2002年獲奧斯卡金像獎提名的電影「英雄」插曲中的女高音就是她。

尤雁子中國中央民族大學聲樂系畢業，後到紐約知名學府茱麗亞音樂學院深造。

她所演唱的「地球，我的家園」，由她自己作曲，劉藩填詞。這首曲子不但融合了蒙古、西藏等民族音樂特色，也充滿了東方與西方的結合。

歌詞內容是，「清清的泉水，綠綠的地，藍藍的天，問世界誰是我的家園，是那水，我的母親，是那土，我的同胞，是我們的地球，我們組成一個美麗的家，啊，父親在變渾濁，母親在變滄桑，同胞們在呻吟，我們只有一個地球，我們只有一個家園，我們愛父母，我們愛同胞，我們愛家園，我們愛地球，我們攜手來，共同維護我們的清水，綠地，藍天，呀，呀，呀，我們美麗的地球家園。」

【本報記者藍功中舊金山報導】在舊金山世界環保日大會開幕典禮中登台獻藝的「東方女子樂坊」，是由兩岸聯手打造的新民樂團體，2003年才成軍，已經享有國際知名度，今年10月還將赴日本巡迴表演。

由十名妙齡美少女組成的「東方女子樂坊」在典禮上演出了柔情的「秋水長天」、雄壯的「出征」及西洋音樂「Superstar」三支曲目，她們身穿白色衣裳，略施脂粉，甫上台就贏來熱烈掌聲，雖然平均年齡爲21歲，但個個都學藝十年以上。

樂坊成員不是來自中央音樂學院，就是中國音樂學院等中國民樂的最高學府。十

名成員代表十全十美，其中有四名二胡、兩名笛子、兩名琵琶、一名揚琴、一名古箏，首支單曲「光芒」就讓全亞洲驚豔。

她們曾經到過台灣表演，這是第一次到美國。團長劉星表示，全體團員對於能爲環保事業貢獻心力，都感到很榮幸，而這也是當代年輕人的責任。

東方女子樂坊的成員分別是江蘇的許慧、黑龍江的楊超、江西的楊陽、遼寧的孟曉旭、浙江的趙宇婷、山西的楊瑾、四川的趙蘭、遼寧的寧英杰、山東的史文倩、湖南的劉星。

樂坊訂於本月4日離開美國，返回北京。

Congressional Record

PROCEEDINGS AND DEBATES OF THE 109th CONGRESS

IN RECOGNITION OF THE LAUNCH OF THE WORLD HARMONY FOUNDATION'S GLOBAL RECYCLING FOR PEACE AND HARMONY PROGRAM TO CREATE PEACE FOR PEACE

HON. CAROLYN B. MALONEY
OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES

Mr. Speaker, I rise today to acknowledge the World Harmony Foundation and the launching of their Global Recycling for Peace and Harmony Program to create Harmony Bells for Peace.

The World Harmony Foundation is dedicated to building cultures of peace with sustainable environments. Through their Global Leadership Initiative with Global Recycling for Peace and Harmony program they will bring together leaders of state, parliamentarians, mayors and community leaders with students and educators worldwide to work in partnership in building cultures of peace for generations to come.

The first Harmony Bell for Peace, which is being held in Capitol Hill to be rung for peace, was at the United Nations for the 60th anniversary ceremony and celebration on October 24, 2005, in honor of the theme "A Time for Renewal." Secretary General Kofi Annan was the first person to officially ring the Harmony Bell during the ceremony followed by His Excellency Mr. Jan Eliasson. The Harmony Bell for Peace can be rung by all people from all walks of life that make their commitments to building cultures of peace with sustainable environments for all. A moment of silence will be held today when the bell is rung.

The World Harmony Foundation designed the Harmony Bell for Peace with the word "Harmony" appearing around the center in the six official languages of the United Nations with elements of nature. This first Harmony Bell was made with scrap metal donated by the Chinese military and recycled scrap metal collected and donated by school children.

Future Harmony Bells for Peace will be made from metal and decommissioned discarded guns

donated by heads of state, parliamentarians, mayors, and community leaders who are making their own commitments to peace. These materials will be combined with the recycled scrap metal collected and donated by students in schools around the world that also have curriculums on peace and environmental studies in the Global Recycling for Peace and Harmony program of the World Harmony Foundation.

The Harmony Bells for Peace created from this program will travel as Ambassadors of Peace and inspire people in communities around the world. Later, they will be donated to schools, civic centers, and hospitals.

I thank Mr. Frank Liu, President of the World Harmony Foundation and Ms. Margo LaZem, CEO of the World Harmony Foundation, for creating this program. I also want to thank all of their sponsors and supporters for encouraging and supporting this important organization and the valuable contributions that they are making to the global community for peace and harmony for all people.

I congratulate the World Harmony Foundation on this Global Leadership Initiative for Peace and Harmony. Today, as we ring the Harmony Bell for Peace to launch the World Harmony Foundation's Global Recycling for Peace and Harmony program, I encourage my colleagues to work for peace and celebrate this remarkable effort. I would like to thank all those responsible for bringing the Harmony Bell for Peace in Capitol Hill today.

Generations to come will have Harmony Bells for Peace in their communities because of the contributions the World Harmony Foundation is making to the world.

Thank you.

WASHINGTON

Congratulations on receiving the President's Volunteer Service Award, and thank you for helping to address the most pressing needs in your community and our country.

In my Inaugural Address, I stated that we need a new era of responsibility—a recognition on the part of every American that we have duties to ourselves, our Nation, and the world. These are duties that we do not grudgingly accept, but rather seize gladly, firm in the knowledge that there is nothing so satisfying to the spirit than giving our all to a difficult task. Your volunteer service demonstrates the kind of commitment to your community that moves America a step closer to its great promise.

Our Nation faces the most challenging economic crisis in a lifetime. We will only renew America if we all work together. Individuals, the private sector, and government must combine efforts to make real and lasting change so that each person has the opportunity to fulfill his or her potential.

While government can open more opportunities for us to serve our communities, it is up to each of us to seize those opportunities. Thank you for your devotion to service and for doing all you can to shape a better tomorrow for our great Nation.

Dear Ms. Liu and Ms. Xu,

On behalf of Secretary-General Antonio Guterres, we would like to thank you for your letter and your support to the United Nations in our global efforts to combat the novel Coronavirus.

Although the United Nations Headquarters is closed to the public due to the pandemic, until 31 May or further notice, we are working hard to adjust our activities to the new reality and to finding creative ways to maintain our regular engagement by organizing virtual briefings. My team, the Civil Society Unit in the Department of Global Communications (DGC), as you already know, organized a virtual briefing in observance of World Health Day and the 2020 International Year of the Nurse and Midwife on 7 April. We recognize that nurses, healthcare workers and first responders around the world are front and centre of the COVID-19 crisis. We invite you to view the virtual briefing [here](#).

At the United Nations we are more than ever committed to working together on this global response, especially with the youth community. For this reason, the Secretary-General's Envoy on Youth, in partnership with the World Health Organisation and UNICEF, is hosting a series of webinars for young people, titled "HEOY on @ the COVID". The aim is to provide young people with a platform for genuine connection amid uncertainty, encouraging them to field their questions to the experts from UNICEF and WHO, generate mental health awareness among young people, and strengthen demand for integrated mental health and psychosocial interventions. The Civil Society Unit is also organizing online conversations where youth come together and share their perspectives and experiences during the COVID-19 pandemic facing the global community.

With the influx of information out there, be sure to follow only trusted sources. We encourage you to follow the guidelines on the World Health's Organization's website, <https://www.who.int>. At the Department of Global Communications, we are ensuring accurate information is available to all. The UN has created a dedicated website - <https://www.un.org/coronavirus>, and has developed a Social Media Trello Board with the latest information.

Congresswoman Maloney, whose family loves pandas, was the first to ring the World Harmony Bell and initiated a fundraiser to bring pandas to New York City, which never materialized. And today, as relations between the U.S. and China deteriorate, the best ambassador for harmony and peace is the WHF initiative to send a pair of "Harmony, Harmony, Harmony" to the American people, serving as more important civil diplomacy than ping-pong diplomacy.

The Secretary General of the Youth and Children's Committee, Harmony Liu, on behalf of the WHF, gave the Councillor the Outstanding Contribution to Harmony Award for her significant contribution to community harmony and Sino-American harmony.
